Dear Sue,

 fun knowing you this
 year especially in algebra?
 Rosemary

Dear Sue,
 Even though we've gone to school together most of our lives,
 it seems like I just got to know you since about the
 half-way mark in basketball season. We sure had some
 times together. Although I'll probably never find out what happened
 to them, I shall certainly always remember them. It seems
 that since then, either because we wanted to or because we were
 forced to, we've found other exploits. However, you seem to
 do nicely with anything you undertake at which to succeed,
 it you know what I mean, namely Leonard. Take it real
 easy, don't worry too much about it, and may we have
 the best of luck in everything.

DEDICATION

To show our gratitude, the senior class of 1956 proudly dedicates this yearbook to Raymond McMonagle, a true "friend indeed." Throughout our enrollment in Coleman High School he has unselfishly given of his time and effort to help us in any way. Small things then have added up to one grand total we can hardly forget.

Dear Sue,
 I sure hate to sit
 down and write in your
 annual because this means
 no more laughs and fun like
 we had all year long. It is to
 bad I did not get to know you last
 year like I did this year. I would
 of had two years of fun, at least I
 had fun. What I like most the trouble
 we both had at first with Len and you fine
 know who. Now every thing it just of luck
 don't have a wong in the world. Best of luck up
 with Len and everything else you may do. Keep up
 your wonderful personality and you will reach any
 goal you might set for
 yourself.

We are now presenting our work to you. We hope you will like it.

With the help of Mr. Douglas, the Class of '58 continued their progress at H. S.

For the second year our class has won first prize on our float for Homecoming. Our Queen candidate, Marie Rivet, received a good share of the votes.

In sports, also, the Soph's made their presence known when Leonard Teresinski, Richard Adamski, Eugene Wiczorek, Cary Bunker, Allen Hanson, Darold Bedora, Gerald Tobison, and William Hanneman made showings on the gridiron.

The following boys proved their ability in basketball: Ron Vander Bloomer, Charles Carlson, Richard Adamski, Leonard Teresinski, Dick Kramer, Pat Bergeron, and Walter Fiedorowicz. Betty Prochaska was chosen "B" team cheerleader.

Nearly half the starting lineup of our newly organized wrestling team was composed of Sophomores. They include: Ralph Peterson, Sylvan King, Cary Bunker, Gerald Tobison, Eugene Wiczorek, and Duane Giese.

The Class of "59", under the direction of Mr. Maloney, got off to a good start. Although they seemed green, but willing, they succeeded in many activities this year in school.

Their class officers are as follows: President, Tom Jackson, Vice-President, Bonnie Maloney, Secretary, Janet Klapste; Treasurer, Jerry Durocher.

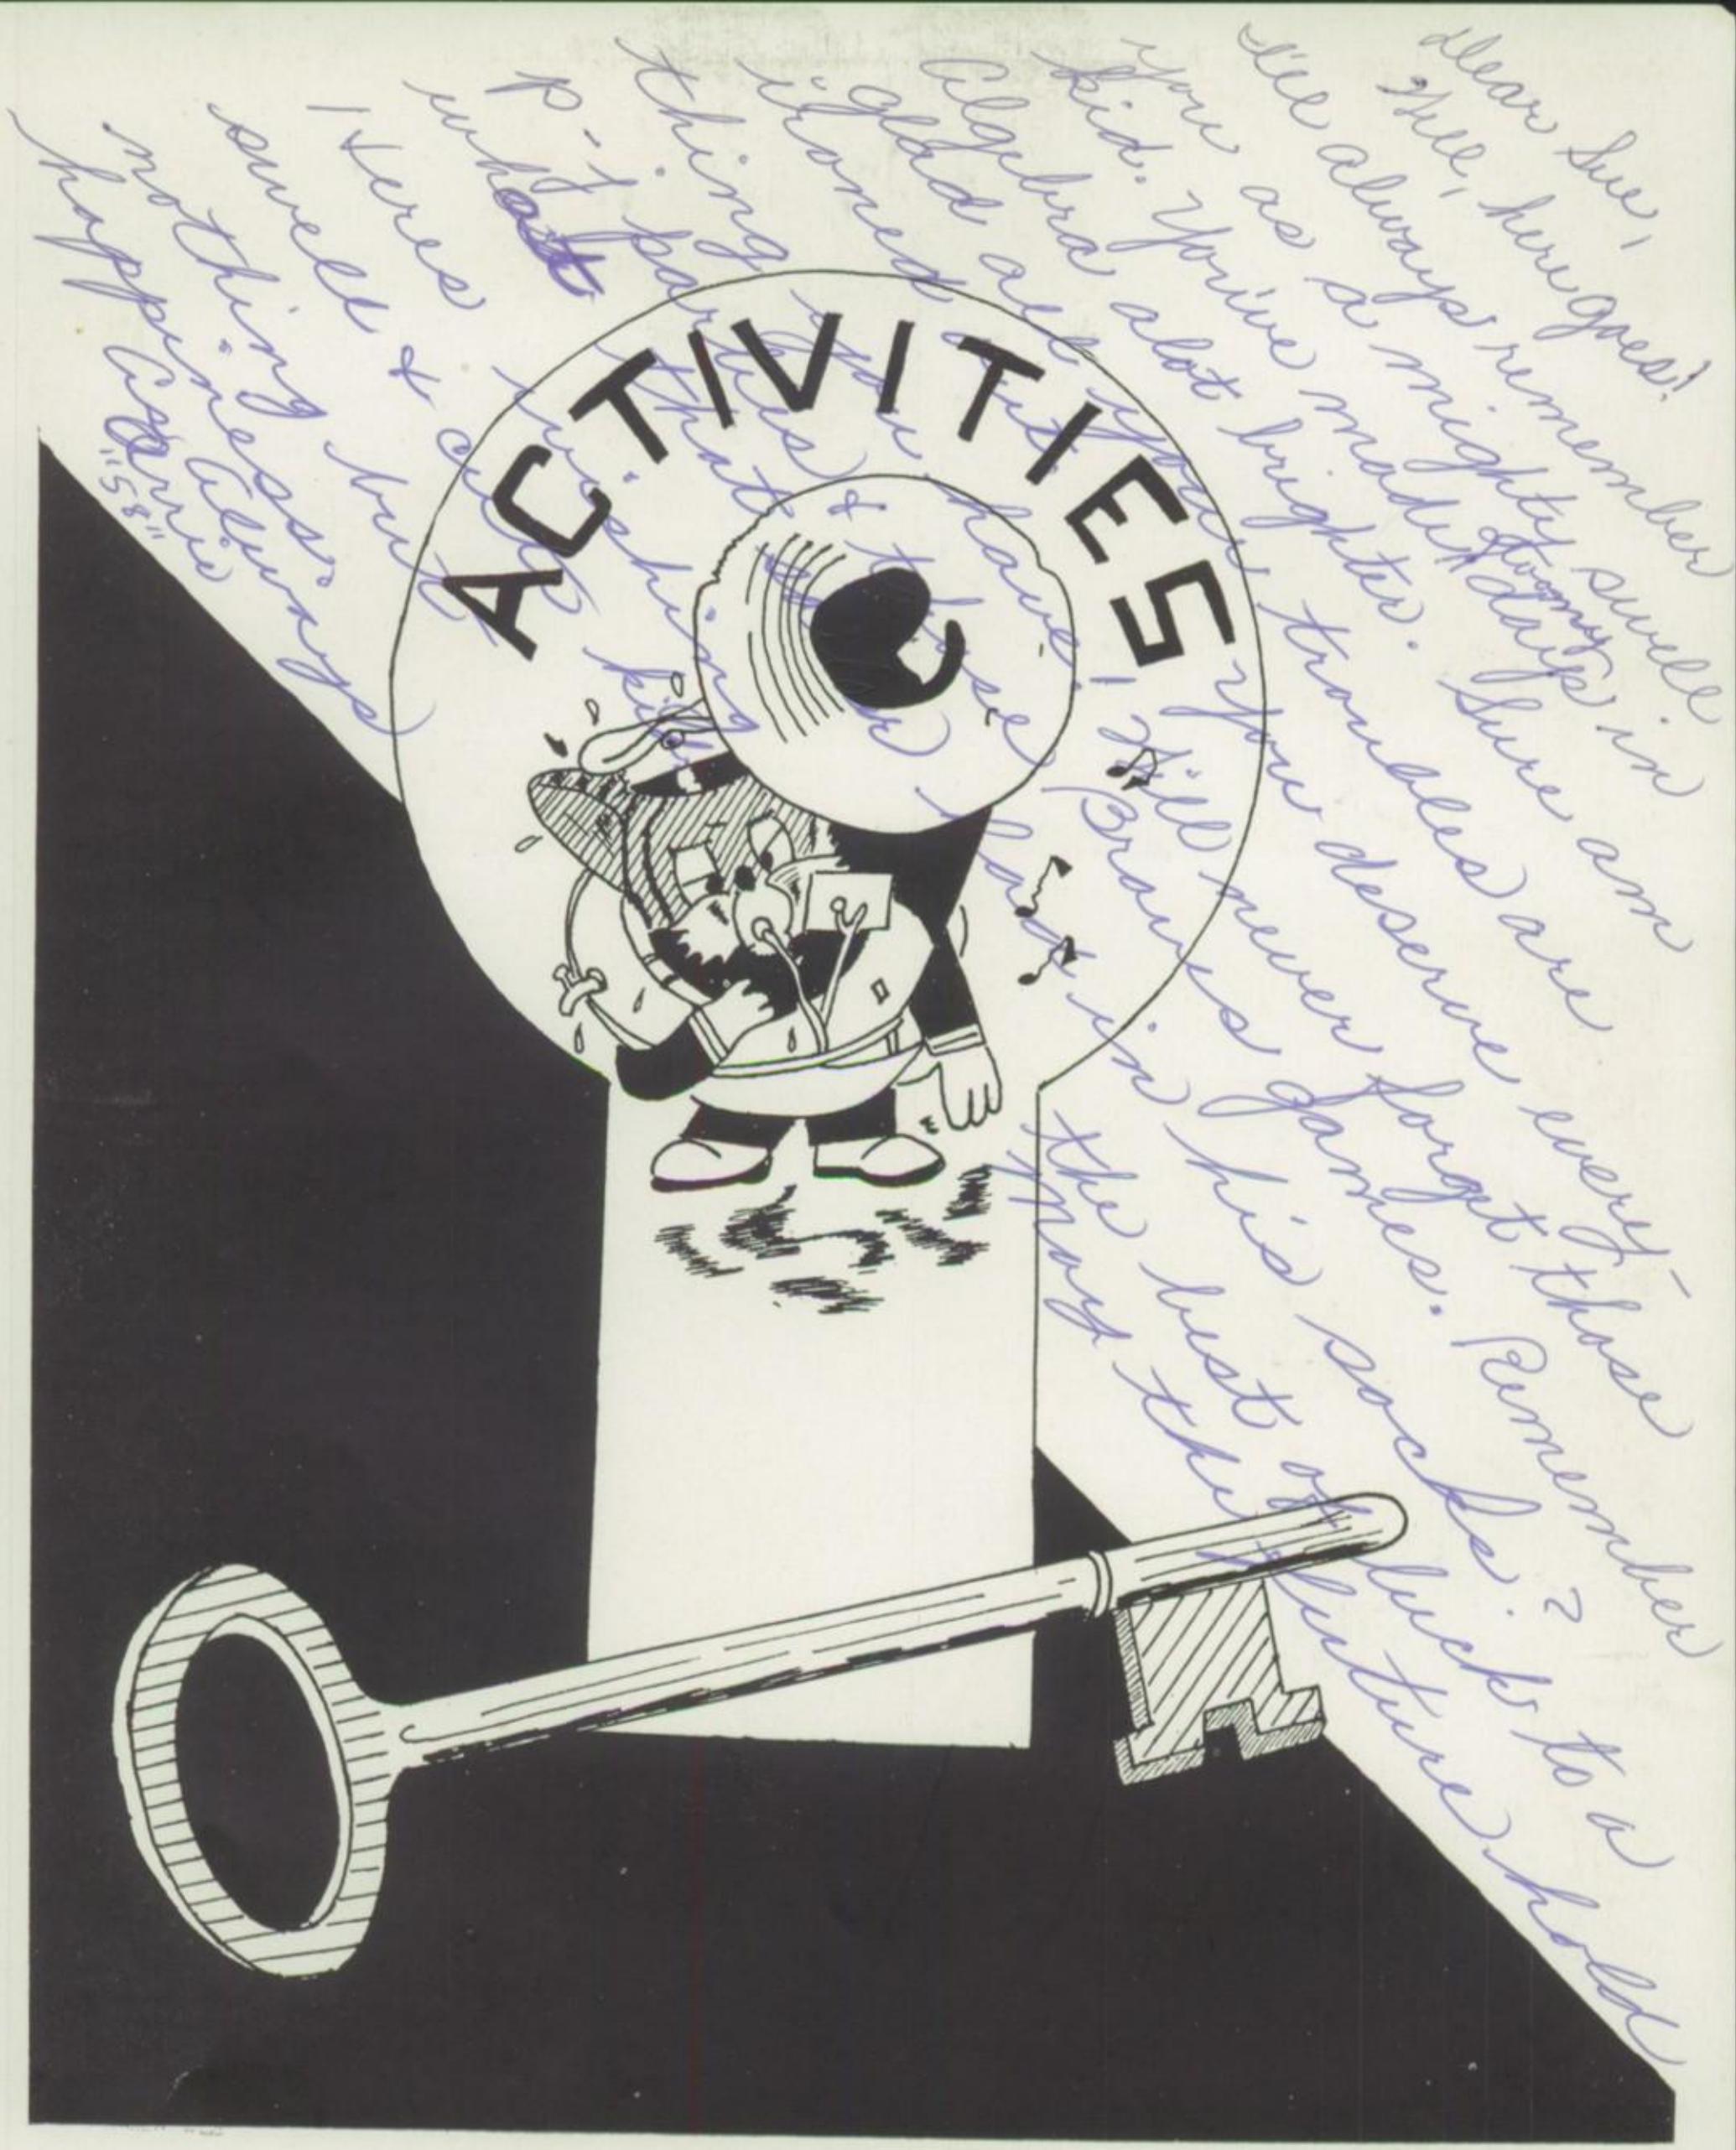

Chosen as Homecoming candidate was Beverly Van Drisse. They also won second prize on their float, "Let's Make Crivitz Sitting Ducks".

Those participating in Forensics were George Blackburn, Lois Herman, Marianne Krause, Richard Kapla, Roger Bintz, Janet Klapste, Craig Schwartz, and Pauline Harley.

They are glad to state that a great majority of their Freshman boys went out for athletics. They have certainly made an excellent showing, on the gridiron, as well as the basketball court.

A black and white photograph of a young man with dark, curly hair, lying down. He is wearing a light-colored, short-sleeved button-down shirt and dark shorts. A small, dark-colored dog is resting on his chest. The background is slightly out of focus, showing what appears to be a bed or couch with a striped pattern.

It was Sunday, October 30, that about fifty excited Seniors boarded the southbound train for Chicago. Even tho it was the first time on a train for most of us, we quickly over came this and settled down for a rip-roaring trip. Before we realized it, we arrived in Chicago, and were taxied to the stately Morrison Hotel where we were to stay for most of the week. During the end of our visit in the Windy City we lived in the wonderful Conrad Hilton hotel.

Our daily schedules were always completely filled with new and exciting excursions. Some of the business firms and public buildings we visited in the daytime were the Museum of Science and Industry, the Midway Airport, the Brookfield Zoo, Shedd Aquarium, the Alder Plantarium, a Style Show at Marshall Fields, the Natural History Museum, the U. S. Steel Company, the Ford Company, and Chinatown. We traveled to and from these places in a combination of C. T. A. Buses or taxis.

TRIP

We enjoyed a wide variety of evening entertainment, but the evenings were the most fun. They included: "Cinerama", "Can-Can", the Chicago Symphony Orchestra, a stage play: "Teahouse Of The August Moon", and a Carnival On Ice in the Hilton Hotel. Several foreign restaurants were visited, such as the Italian Village, a German Restaurant, and Chiam, a Chinese American restaurant. Our last activity before boarding the northbound train was the football game between Wisconsin and Northwestern. Wisconsin won, 41 to 14.

The Senior Class would like to take this opportunity to thank Mr. Walter Ott, and Mrs. Bette Brown in working out the schedules and completing the arrangements. It is to them, and the chaperones and advisors, that we credit the success of our trip.

In our own separate way, the memories of this trip shall stay with us for the rest of our lives.

Best of luck
to a swell ride
in the future & always,
Dw.

HOMECOMING

JUNIOR PROM

Beautiful shades of the setting sun greeted the dancers as they entered the wharf lined dance floor. "Red Sails in The Sunset," was the theme of this annual Junior Prom, and was portrayed by a colorful scene on the back wall consisting of a colorful sunset and a sailboat in the billowing ocean waves. Guests were served punch in quaint cobblestone huts situated on the sides of the dance floor. Especially memorable was the three dimensional effect to the decorations planned by the committee, headed by the chairman, Shirley Thompson.

The evening was highlighted by the crowning of the queen Janice Woulf by the king, Roger Thibodeau. Members of the court were Lois Semrau and Charles Oleck, Seniors, Violet Kienitz and Ken Behrend, Juniors, Pat Melcher and Joe Banazsak, Sophmores, and Marilu Charnesky and Dick Kramer, Freshmen. The Crown Bearers were Francine and Brian Sager, Loretta Woulf and Ralph Pelkey.

Under the fine leadership of head coach, Leroy Floriano, and assistant coach, Earl Herbert, the Cougars finished a hard fought season with a record of three wins and four losses.

The Cougars lost their opener to the strong Niagara squad by the score of 12 to 0. As the Cougars opened their season in conference play they took on their traditional rivals the Lena Wildcats. It was a heart-breaker to lose, as the Cougars were defeated by the score of 6 to 0.

The Homecoming Game, a highlight of the season, was played with the Cougar's northern rival the, "Crivitz Wolverines". The Cougars started things off by scoring early in the first quarter and making the score 6 to 0. However, the victory hungry Wolverines tried their best, and made the half time score 7 to 6. The Cougars came out fighting in the third quarter and scored second touchdown for a final score of Coleman 12 and Crivitz 6.

For the first time in the history of Coleman High School, one of our students was awarded the "Most Valuable Player" trophy. We are happy that Paul Evan received this title.

This year's Varsity team is composed of four seniors, three juniors and three sophmores. The four seniors playing their last basketball season at Coleman are Don Carlson, George Feidorowicz, Paul Evan, and Ralph Johnston. The co-captains elected by the team were Paul Evan and George Feidorowicz.

Due to excitement and perhaps a little unorganization, we lost our first two games. In our third game, against Preble, we won a thrilling contest by a one point margin. The final score of our first victory was Coleman 55, Preble 54.

Although perhaps a little weak on the offensive side, Coleman has one of the best defensive units in the M-O Conference. Opponents have a small earned-point average against the fighting Cougars.

Hello Sue,
Hope you take it easy on Len - we
need him next year for Basketball.
Best of Luck Kim C

WRESTLING

For the first time in the history of interscholastic athletics in Marinette County wrestling was introduced. We here at Coleman made that introduction, developing a team and engaging in seven dual matches, winning 2, losing five.

Despite our record of wins and losses, Coleman scored over the season 134 points to 141 for the opposition, most of which were teams with one or two seasons behind them. There were several outstanding records made by the Cougar wrestlers, most impressive being that made by freshman Jimmy White in the 120 pound class who went through the regular season undefeated in seven matches. Ralph Peterson had a record of six wins and one draw; Sylvan King, 5-2; Leroy Cudnoski 4-1-1. Cary Bunker and Ken Patz, wrestling at 157 and 147 pounds, each had 3-4 records, though Bunk-

er wrestled out of his class three times.

The Coleman lineup for most of the season included Jerry Risner and Urb Johnson at 103 pounds; Ralph Peterson, 112; Jimmy White, 120; Leroy Cudnoski, 128; Sylvan King, 136; Ken Patz and Jerome Brault 145; Cary Bunker and Duane Giese, 155; Jerry Tobison and Eugene Wieczorek, 165; Roger Greason 182, and Bob Pillath, heavyweight. Next year's squad will include all these boys except Ken Patz and Bob Pillath.

Following are the match results:

Coleman 28	Bonduel 8
Brillion 29	Coleman 11
Coleman 26	Bonduel 12
Antigo 23	Coleman 16
Everest 21	Coleman 19
Shawano 23	Coleman 15
Antigo 25	Coleman 19

This year is the seventh in which a Student Council has been active in Coleman High School affairs. Regular meetings of the Council were held each Wednesday during alternate periods. At the meetings school problems were discussed and class and social activities were arranged.

The activities of the Student Council began with the installation of officers soon after their election. Another new activity this year has been the Student Break period between the first and second periods in the morning. The purpose of the break is to provide an opportunity for students to get together socially and to get some refreshment during the morning session. Other activities continued this year were the Homecoming Parade and Dance, the Red Cross drive, the Save the Children clothing drive, the Christmas Party which included the collecting and distribution of canned goods for the needy families in the area, and the March of Dimes auction and house-to-house canvas. The officers attended the State Conference of Student Councils which was held in Green Bay this year.

The Dramatics club is open to all students of Coleman High School, and all students are encouraged to join.

Probably the largest objective of the club is to have students become interested in the field of dramatics, and to be active in the plays, skits, etc. presented by the club. Students from any class are eligible to try-out for the three one-act plays which are presented each year. The proceeds of these plays are divided among the four high school classes, as well as the Dramatics Club.

This year, the club presented three plays entitled, "Uncle Tom's Crabbin", a comedy. The plays were presented January 16. A group from the club went to the Hickory Grove Sanatorium when a presentation was presented for the patients there.

Officers of this year's club were: President: Paul Evans, Vice-President: Sec. Treasurer: Shirley Thompson, Advisor: Mrs. Pelischek.

OUR PEP

"Your pep, your pep, you've got it, now keep it, doggone it, don't lose it, your pep!" This was the theme of this year's snappy pep club.

Our Cougar Pep Club has shown a great deal of spirit by attending all of this season's games. With the aid of our ambitious cheerleaders, we have kept our spirit up from the beginning of every game to the final seconds of them. We tried never to let the team down, whether the games were victories or losses.

By combining the abilities of every member, we raised enough money to purchase new uniforms for our varsity cheerleaders, who were very deserving of them. This year our club has also succeeded in getting some boys to join, and help help us really back our team. We are proud to think we were behind our team and helped a little toward their many victories.

Loads of luck and success to a sweet little companion in playing flute. Keep smiling. Carol Graetz "57"

Dear Sue,

I'm not very good at writing anything, but I'll try my best to make some sense.

I sure have enjoyed all the years I have known you especially this last year of school with you. You sure are the sweetest kid I know even though I sort of get angry once in a while, but that's just the way I am, and I don't think I'll ever change, so you will have to put up with me.

We really had some ~~exciting~~ exciting times together during football and basket ball season, especially after the games at the hut, Oh, and thanks a lot for helping me out with some of my boy problems.

There's so much to say but I just can't write it down, rather I don't know how. But I hope to be seeing a lot of you this summer. We'll have a lot of fun at the lake I hope, and I wish you all the luck in the world with Jen and everything else you do. But take it easy on him, because we need all the cute boys we can get, and he's pretty cute so hold on, well that's about all, but I hope ^{we'll} always be the best of friends. Just Bonnie

Dear Suzy Q,

I like that name even if you don't!
Boy what a hectic year we put in, it was
lots of fun. Remember the times we had to
go marching in rain, snow, sleet or
shine. I enjoyed gossiping in band with
you between marches! We also had loads
of fun in Biology trying to talk on a
Duck! I never forget all those P I
parties how we looked the next
morning, enough to send anyone to their
grave!! ~~I~~ I guess I'm forgiven for such a
to do by dancing with you know who! Honest
I'll never do it again. Remember Shirley's
B. birthday last year, I think we were the
only ones & went in swimming. I hope
you come and visit me this summer at
the lake and well really whoop her up!
Okey? (alright) Thanks for taking out time
to visit with me after + before church! I'm
such a pest you know! You looked lovely at
the prom this year, wish we could of
doubled dated with you! Remember the fun we
had this year visiting
our Christmas gift you received 7 pair of —
I think we wound everything up by going to
the show! Come see me at Kelly's this
summer. Will paint it Red! Loads of Luck
& success in the future years. To a sweet
classmate and keep up the wonderful
work! A P.S. Just

Dear Sue (Reserved)

I'm getting used to this so I'm all prepared to write a whole page! Well, now to continue writing in here. Boy, we sure had the swell times together. I'll never forget them. Remember those p.f. parties and all the fun we had. Especially the one we stayed up all night at.
